

# RFIDDER (frītər)

UW CSE Affiliates 2008

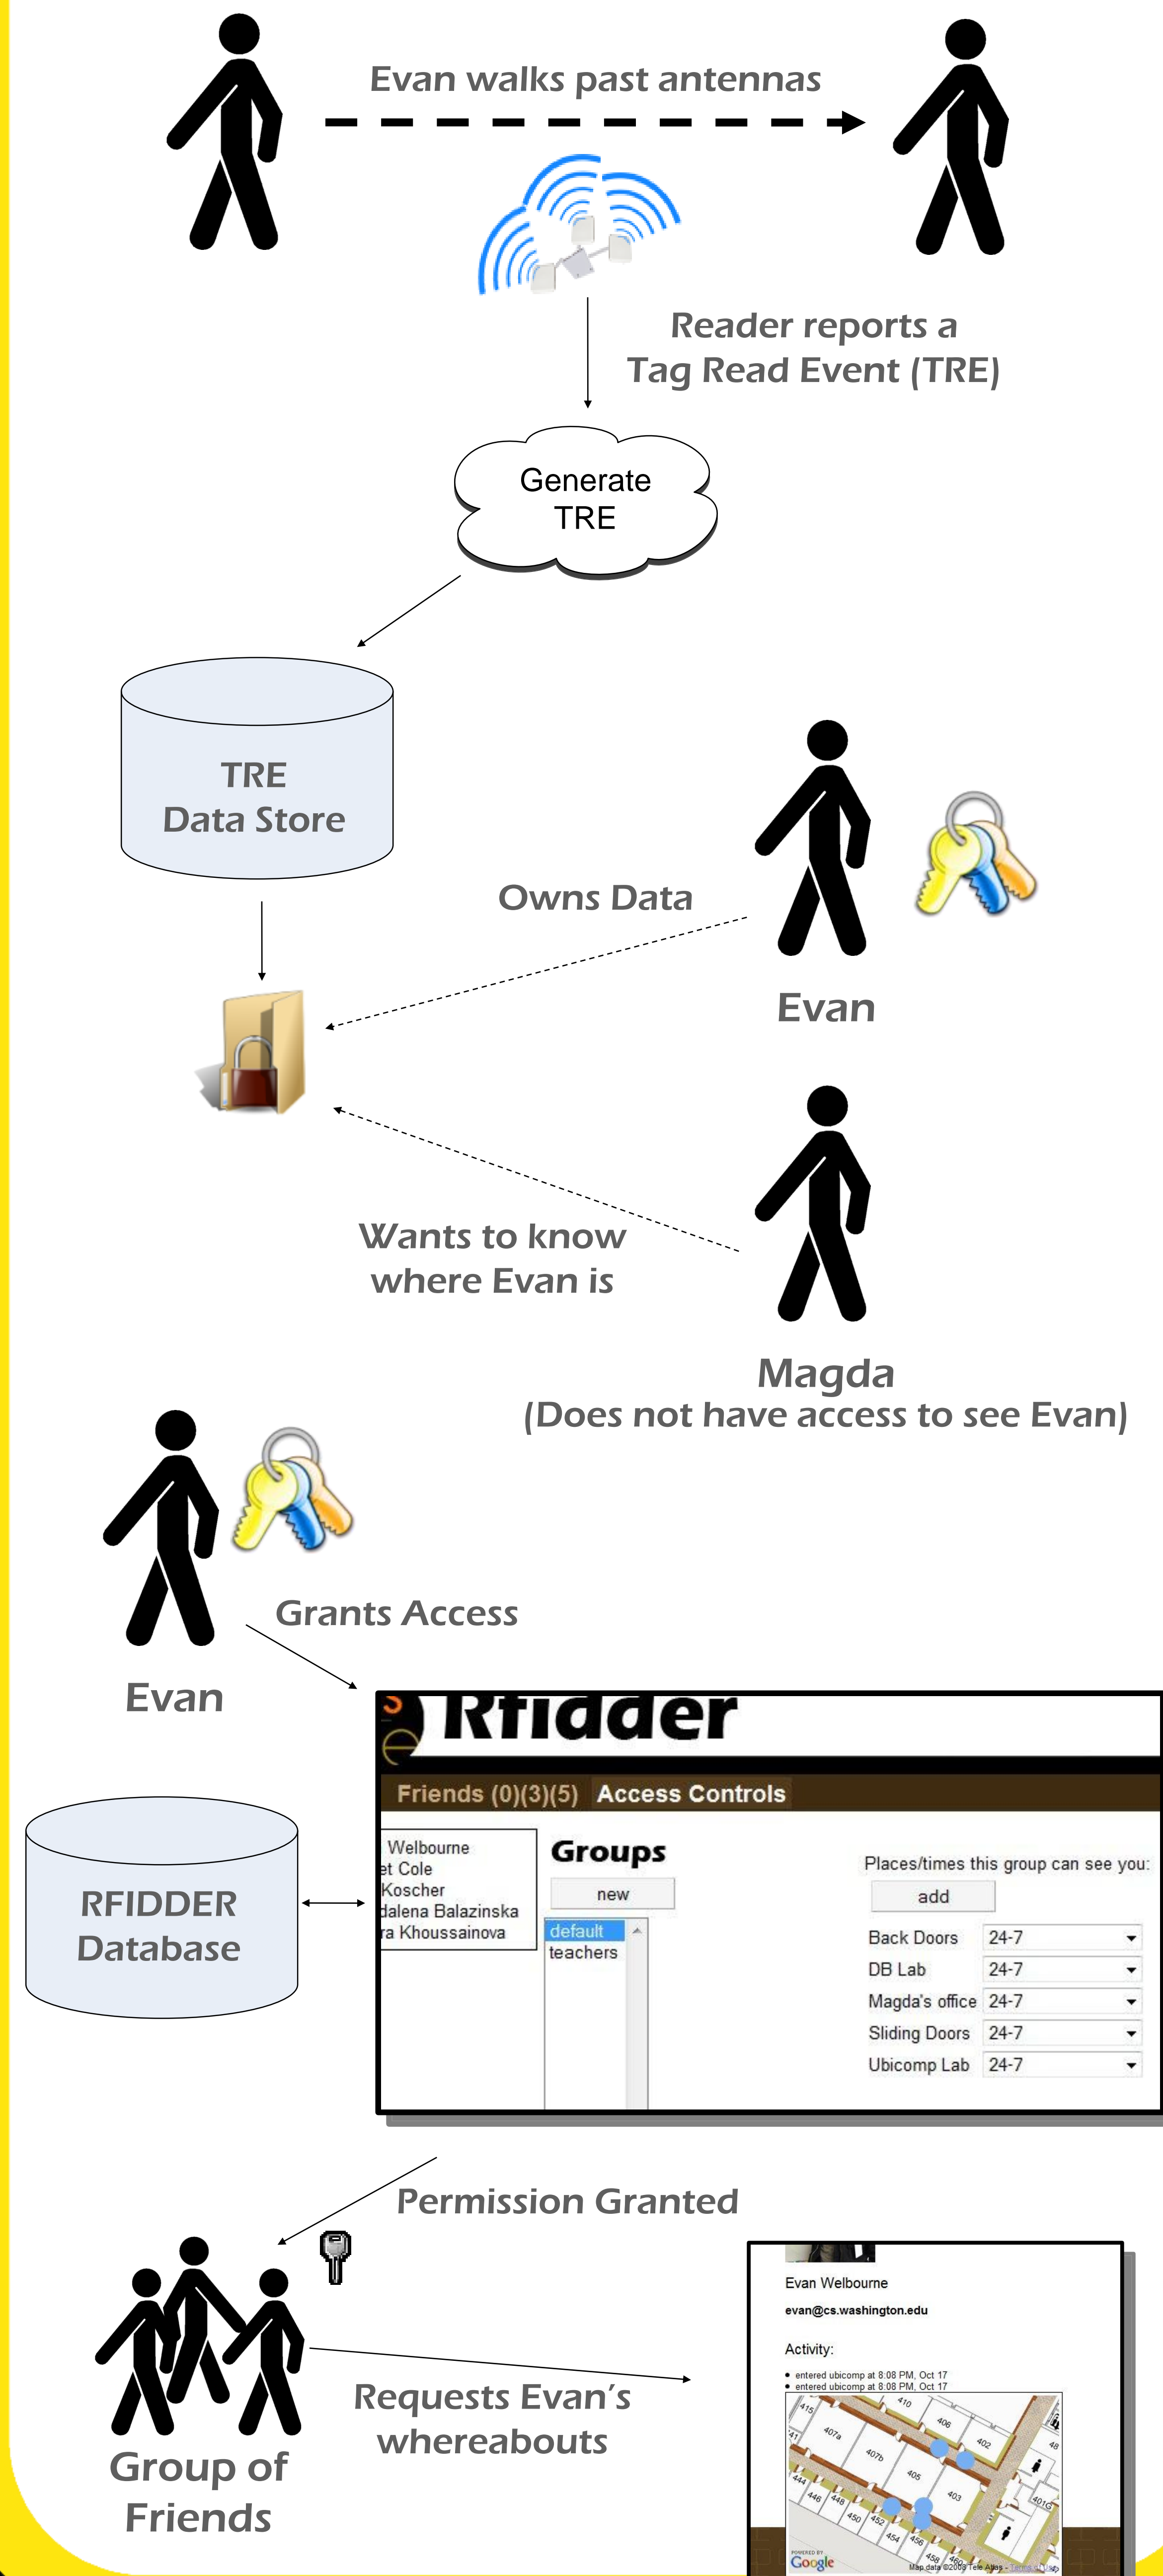

## A Friend Finder for an RFID World

### Current Features

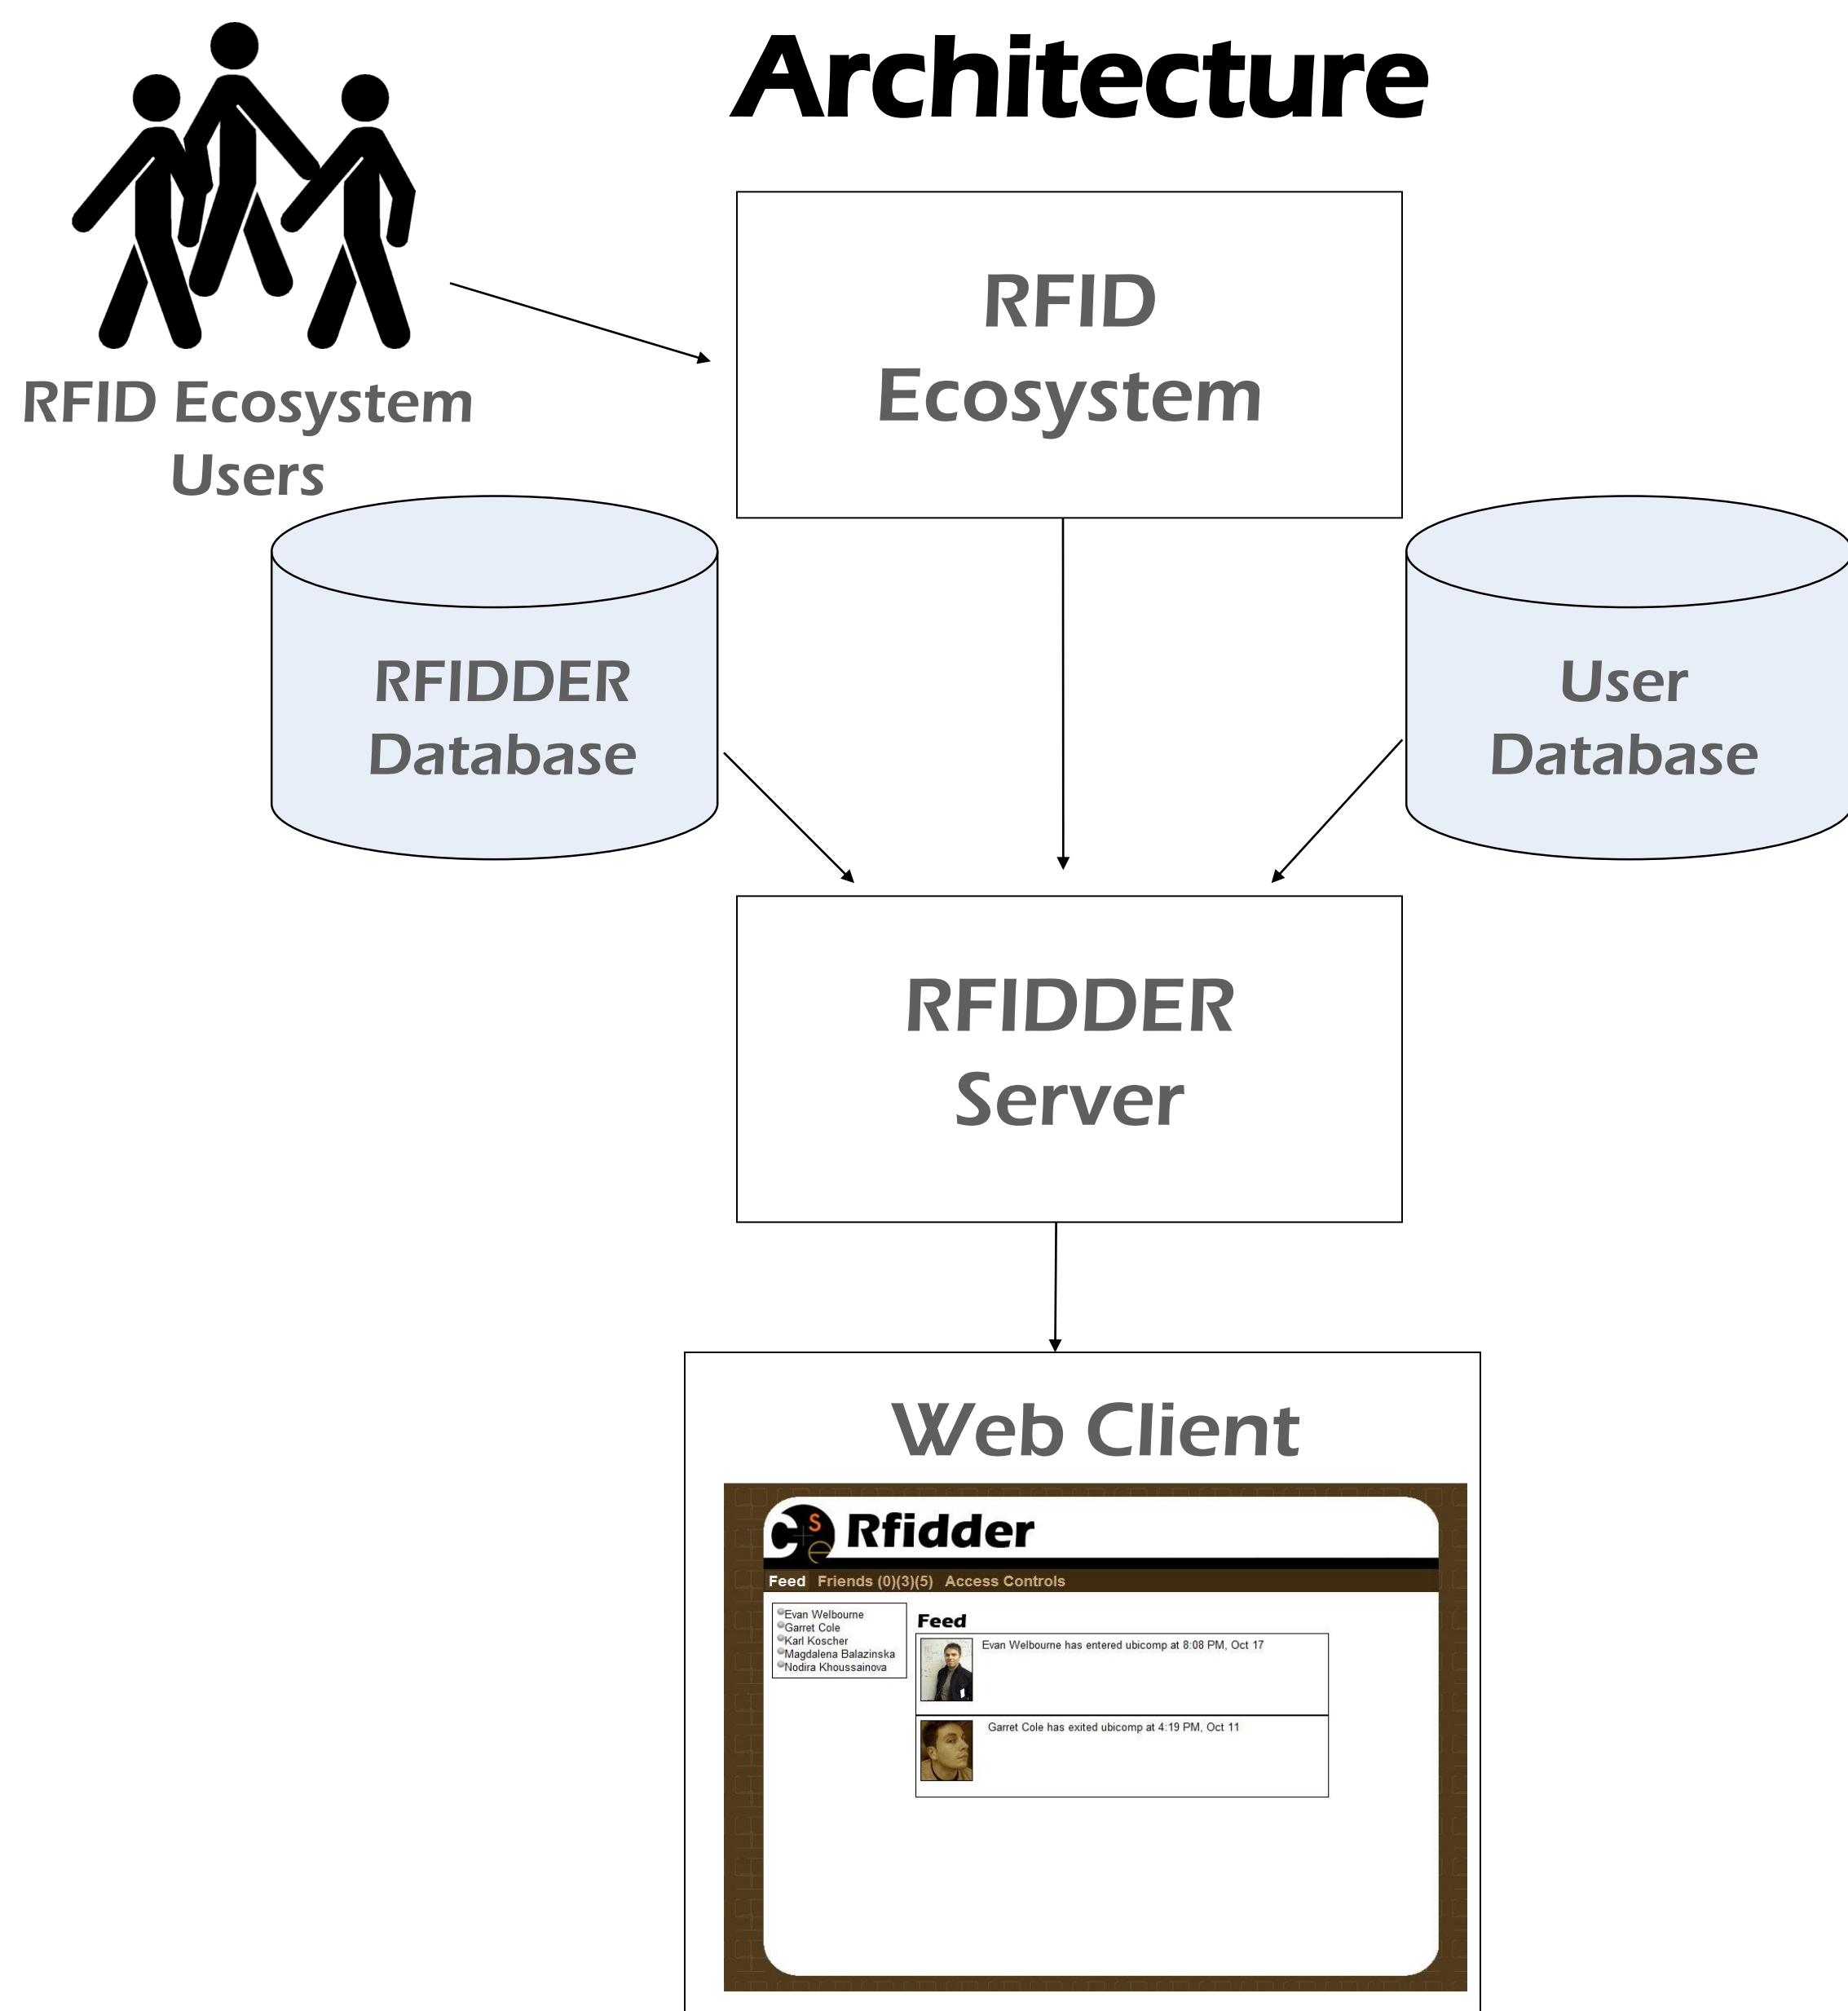

- **Manage Friends:**
  - Add / Remove friends
  - Request and authorize friends
- **Track friends**
  - Most recent event
  - Specified past events
  - Event feed
- **Manage privacy settings**
  - Grant and restrict access to view information
  - Adjust privacy settings specific to groups of friends

### How it Works

### Architecture

Sam Raymer, Garret Cole, Andy Sun, Evan Welbourne, and the RFID Ecosystem Team
